

INVITATION

Dear friends of IMAB,

It is time to plan your participation in the 29-th Annual Assembly of IMAB, 9-12 May 2019, Congress Center, Hotel Admiral, Sea-side Resort Golden Sands, near Varna, Bulgaria.

Please, kindly contact us and plan your attendance as: plenary speaker (with a lecture of 30-45 minutes), presenter of short oral paper (10 minutes), poster, exhibition presenter, active participant in one of our round-table seminars, or just listener.

We organize the 29-th forum of IMAB together with the 6-th International Conference of the Alumni Club of the Medical University of Varna, a tradition for the recent few years.

The main topics of the Assembly will be: infections (all aspects), cancer (all aspects), varia (any other medical topics), health-management (round-table seminars), medical projects and international collaboration (Alumni Club meeting).

Warmly invited are specialists of medicine, dental medicine, pharmacy, health-management, social medicine and biomedical sciences.

Please, kindly advise your friends and colleagues around the world to join us in Varna.

Your presentations will be published as full publications in the Journal of IMAB, the only medical journal issued in Bulgaria, registered according to all international requirements and with impact factor of Thomson Reuters.
