IMAB has a special agreement with the management of Hotel Admiral for discount prices. These prices are meant for registered participants and only after presentation of your registration ID at the hotel reception you can have your room at the agreed prices.

*Foreign participants are invited to pay their registration and/or hotel room only to the Secretariat of IMAB, no payment will be done directly to the hotel reception.*

*Payment can be done in advance (bank transfer) or upon arrival and registration at the Secretariat.*

**Pre-and post-congress cultural events:** available on request for all foreign guests, IMAB provides a number of trips to historical places of interest, shopping tour in Varna, visits of museums and galleries, lady's programme for the accompanying persons, etc. (please, contact the Secretariat of IMAB for details)

### **Publications:**

Starting from the 15-th (2005) Annual Assembly of IMAB, the official Journal of IMAB - Annual Proceedings (Scientific Papers) is published **on-line** according to the international rules and regulations for on-line scientific journals. The language for all papers to be included for publications will be **only English**. We are in a working procedure to obtain impact factor of the Journal.

All papers, presented and registered at the IMAB + ISC Meeting in Varna, will be accepted for review (by three independent referees) and only then can be directed for full publication in the Journal.

Details and requirements will be given by the Publisher (Mr. Gospodin Peytchinski) during the sessions.
